OPEN SHELF

The person charging this material is responsible for its return to the library from which it was withdrawn on or before the **Latest Date** stamped below.

Theft, mutilation, and underlining of books are reasons for disciplinary action and may result in dismissal from the University.

UNIVERSITY OF ILLINOIS LIBRARY AT URBANA-CHAMPAIGN

OCT 20 1977

NOV 1 4 1977
C OCT 28 1977

APR 25 1978

PART I - This report shows the aggregate dollar value of all arms,ammunition and other implements of war exported under license during FY 1975 to foreign countries and international organizations.

The report presents a detailed list of U.S. Munitions List articles exported under license by region, country, or international organization, type of sale, and dollar value.

For purposes of this report sales are:

Commercial - Export of U. S. Munitions List articles by a person, as defined in 22 C.F.R. 121.17.

Foreign Military - Export of U.S. Munitions List articles provided under the Foreign Military Sales Act, involving a person or forwarding agent.

Other - Export of U.S. Munitions List articles by A.I.D. and/or the General Services Administration in furtherance of a United States Government sponsored program, exported by a forwarding agent or other than a U.S. Government agency.

This report was compiled by the Office of Munitions Control, Bureau of Politico-Military Affairs, Department of State except that provided on Canadian exports. Since the Department exempts from licensing (22 C.F.R. 123.12) most items destined for export to Canada, it was necessary to coordinate with the Canadian Government to obtain the required data.

PART II - This report shows the dollar value (in thousands of dollars) of all articles authorized under the Foreign Military Sales Program exported during FY 1975.

This report is a detailed list by country or international organization and quantity and the dollar value of articles exported.

For purposes of this report the following should be noted:

Value - in thousands of dollars

** - Less than \$500

= - Quantity is missiles, value includes support equipment

This report was extracted from a compilation prepared by the Defense Security Assistance Agency, Department of Defense.

PART III- This report shows the dollar value (in thousands of dollars) of all articles authorized under the Military Assistance Program exported during the FY 1975.

This report is a detailed list by country or international organization and quantity and the dollar value of articles exported.

For purposes of this report the following should be noted:

Value - in thousands of dollars

** - Less than \$500

This report was extracted from a compilation prepared by the Defense Security Assistance Agency, Department of Defense.
